

according to Regulation (EC) No. 1907/2006 as amended by (EC) No. 2015/830 and US OSHA HCS 2015

**Section 1. Identification of the Substance/Mixture and of the Company/Undertaking**

- 1.1 Product Code:** 10811  
**Product Name:** Interleukin-33 Monoclonal Antibody (Clone IL33026B)  
**Synonyms:** IL-1F11; IL-33; NF-HEV;
- 1.2 Relevant identified uses of the substance or mixture and uses advised against:**  
**Relevant identified uses:** For research use only, not for human or veterinary use.
- 1.3 Details of the Supplier of the Safety Data Sheet:**  
**Company Name:** Cayman Chemical Company  
 1180 E. Ellsworth Rd.  
 Ann Arbor, MI 48108  
**Web site address:** www.caymanchem.com  
**Information:** Cayman Chemical Company +1 (734)971-3335
- 1.4 Emergency telephone number:**  
**Emergency Contact:** CHEMTREC Within USA and Canada: +1 (800)424-9300  
 CHEMTREC Outside USA and Canada: +1 (703)527-3887

**Section 2. Hazards Identification**

- 2.1 Classification of the Substance or Mixture:**
- 2.2 Label Elements:**  
**GHS Signal Word:** None  
**GHS Hazard Phrases:**  
 Based on evaluation of currently available data this substance or mixture is not classifiable according to GHS.  
**GHS Precaution Phrases:**  
 No phrases apply.  
**GHS Response Phrases:**  
 No phrases apply.  
**GHS Storage and Disposal Phrases:**  
 Please refer to Section 7 for Storage and Section 13 for Disposal information.
- 2.3 Adverse Human Health** Material may be irritating to the mucous membranes and upper respiratory tract.  
**Effects and Symptoms:** May be harmful by inhalation, ingestion, or skin absorption.  
 May cause eye, skin, or respiratory system irritation.  
 To the best of our knowledge, the toxicological properties have not been thoroughly investigated.

**Section 3. Composition/Information on Ingredients**

| CAS # /<br>RTECS #     | Hazardous Components (Chemical Name)/<br>REACH Registration No. | Concentration    | EC No./<br>EC Index No. | GHS Classification            |

### Section 4. First Aid Measures

**4.1 Description of First Aid**

**Measures:**

**In Case of Inhalation:** Remove to fresh air. If not breathing, give artificial respiration or give oxygen by trained personnel. Get immediate medical attention.

**In Case of Skin Contact:** Immediately wash skin with soap and plenty of water for at least 15 minutes. Remove contaminated clothing. Get medical attention if symptoms occur. Wash clothing before reuse.

**In Case of Eye Contact:** Hold eyelids apart and flush eyes with plenty of water for at least 15 minutes. Have eyes examined and tested by medical personnel.

**In Case of Ingestion:** Wash out mouth with water provided person is conscious. Never give anything by mouth to an unconscious person. Get medical attention. Do NOT induce vomiting unless directed to do so by medical personnel.

### Section 5. Fire Fighting Measures

**5.1 Suitable Extinguishing** Use alcohol-resistant foam, carbon dioxide, water, or dry chemical spray.

**Media:** Use water spray to cool fire-exposed containers.

**Unsuitable Extinguishing** A solid water stream may be inefficient.

**Media:**

**5.2 Flammable Properties and** No data available.

**Hazards:**

No data available.

**Flash Pt:** No data.

**Explosive Limits:** LEL: No data. UEL: No data.

**Autoignition Pt:** No data.

**5.3 Fire Fighting Instructions:** As in any fire, wear self-contained breathing apparatus pressure-demand (NIOSH approved or equivalent), and full protective gear to prevent contact with skin and eyes.

### Section 6. Accidental Release Measures

**6.1 Protective Precautions,** Avoid breathing vapors and provide adequate ventilation.

**Protective Equipment and** As conditions warrant, wear a NIOSH approved self-contained breathing apparatus, or respirator,  
**Emergency Procedures:** and appropriate personal protection (rubber boots, safety goggles, and heavy rubber gloves).

**6.2 Environmental** Take steps to avoid release into the environment, if safe to do so.

**Precautions:**

**6.3 Methods and Material For** Contain spill and collect, as appropriate.

**Containment and Cleaning** Transfer to a chemical waste container for disposal in accordance with local regulations.

**Up:**

### Section 7. Handling and Storage

**7.1 Precautions To Be Taken** Avoid breathing dust/fume/gas/mist/vapours/spray.

**in Handling:** Avoid prolonged or repeated exposure.

**7.2 Precautions To Be Taken** Keep container tightly closed.

**in Storing:** Store in accordance with information listed on the product insert.

### Section 8. Exposure Controls/Personal Protection

**8.1 Exposure Parameters:**

|                                                       |                                                                                                                                                                                           |
|-------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>8.2 Exposure Controls:</b>                         |                                                                                                                                                                                           |
| <b>8.2.1 Engineering Controls (Ventilation etc.):</b> | Use process enclosures, local exhaust ventilation, or other engineering controls to control airborne levels below recommended exposure limits.                                            |
| <b>8.2.2 Personal protection equipment:</b>           |                                                                                                                                                                                           |
| <b>Eye Protection:</b>                                | Safety glasses                                                                                                                                                                            |
| <b>Protective Gloves:</b>                             | Compatible chemical-resistant gloves                                                                                                                                                      |
| <b>Other Protective Clothing:</b>                     | Lab coat                                                                                                                                                                                  |
| <b>Respiratory Equipment (Specify Type):</b>          | NIOSH approved respirator, as conditions warrant.                                                                                                                                         |
| <b>Work/Hygienic/Maintenance Practices:</b>           | Do not take internally.<br>Facilities storing or utilizing this material should be equipped with an eyewash and a safety shower.<br>Wash thoroughly after handling.<br>No data available. |

## Section 9. Physical and Chemical Properties

|                                                                  |                                   |
|------------------------------------------------------------------|-----------------------------------|
| <b>9.1 Information on Basic Physical and Chemical Properties</b> |                                   |
| <b>Physical States:</b>                                          | [ ] Gas [ X ] Liquid [ ] Solid    |
| <b>Appearance and Odor:</b>                                      | A 1 mg/ml solution in PBS, pH 7.4 |
| <b>pH:</b>                                                       | 7.4                               |
| <b>Melting Point:</b>                                            | No data.                          |
| <b>Boiling Point:</b>                                            | No data.                          |
| <b>Flash Pt:</b>                                                 | No data.                          |
| <b>Evaporation Rate:</b>                                         | No data.                          |
| <b>Flammability (solid, gas):</b>                                | No data available.                |
| <b>Explosive Limits:</b>                                         | LEL: No data. UEL: No data.       |
| <b>Vapor Pressure (vs. Air or mm Hg):</b>                        | No data.                          |
| <b>Vapor Density (vs. Air = 1):</b>                              | No data.                          |
| <b>Specific Gravity (Water = 1):</b>                             | No data.                          |
| <b>Solubility in Water:</b>                                      | No data.                          |
| <b>Octanol/Water Partition Coefficient:</b>                      | No data.                          |
| <b>Autoignition Pt:</b>                                          | No data.                          |
| <b>Decomposition Temperature:</b>                                | No data.                          |
| <b>Viscosity:</b>                                                | No data.                          |
| <b>9.2 Other Information</b>                                     |                                   |
| <b>Percent Volatile:</b>                                         | No data.                          |

## Section 10. Stability and Reactivity

|                                                   |                                                                               |
|---------------------------------------------------|-------------------------------------------------------------------------------|
| <b>10.1 Reactivity:</b>                           | No data available.                                                            |
| <b>10.2 Stability:</b>                            | Unstable [ ] Stable [ X ]                                                     |
| <b>10.3 Stability Note(s):</b>                    | Stable if stored in accordance with information listed on the product insert. |
| <b>Polymerization:</b>                            | Will occur [ ] Will not occur [ X ]                                           |
| <b>10.4 Conditions To Avoid:</b>                  | No data available.                                                            |
| <b>10.5 Incompatibility - Materials To Avoid:</b> | No data available.                                                            |
| <b>10.6 Hazardous</b>                             | No data available.                                                            |

Decomposition or  
 Byproducts:

### Section 11. Toxicological Information

**11.1 Information on Toxicological Effects:** The toxicological effects of this product have not been thoroughly studied.

**Toxicological Effects:**

**Carcinogenicity:** NTP? No IARC Monographs? No OSHA Regulated? No

| CAS #     | Hazardous Components (Chemical Name)                | NTP  | IARC | ACGIH | OSHA |
|-----------|-----------------------------------------------------|------|------|-------|------|
| NA        | Interleukin-33 Monoclonal Antibody (Clone IL33026B) | n.a. | n.a. | n.a.  | n.a. |
| 7647-14-5 | Sodium chloride                                     | n.a. | n.a. | n.a.  | n.a. |

| 7558-79-4 | Sodium phosphate, Dibasic                           | n.a. | n.a. | n.a.  | n.a. |
| 7732-18-5 | Water                                               | n.a. | n.a. | n.a.  | n.a. |

### Section 12. Ecological Information

- 12.1 Toxicity:** Avoid release into the environment.  
Runoff from fire control or dilution water may cause pollution.
- 12.2 Persistence and Degradability:** No data available.
- 12.3 Bioaccumulative Potential:** No data available.
- 12.4 Mobility in Soil:** No data available.
- 12.5 Results of PBT and vPvB assessment:** No data available.
- 12.6 Other adverse effects:** No data available.

### Section 13. Disposal Considerations

**13.1 Waste Disposal Method:** Dispose in accordance with local, state, and federal regulations.

### Section 14. Transport Information

**14.1 LAND TRANSPORT (US DOT):**

**DOT Proper Shipping Name:** Not dangerous goods.

**DOT Hazard Class:**

**UN/NA Number:**

**14.1 LAND TRANSPORT (European ADR/RID):**

**ADR/RID Shipping Name:** Not dangerous goods.

**UN Number:**

**Hazard Class:**

**14.3 AIR TRANSPORT (ICAO/IATA):**

**ICAO/IATA Shipping Name:** Not dangerous goods.

**Additional Transport Information:** Transport in accordance with local, state, and federal regulations.
